UNITED STATES PATENT OFFICE

142,975

DESIGN FOR A WHEEL WITH BRACKET MOUNTING

Theodore F. Young, Attica, N. Y., assignor to Scott
Aviation Corporation, Lancaster, N. Y., a cor-
poration of New York

Application January 29, 1945, Serial No. 117,667

Term of patent 14 years

(Cl. D14—30)

To all whom it may concern:

Be it known that I, Theodore F. Young, a citizen of the United States, residing at Attica, in the county of Wyoming and State of New York, have invented a new, original, and ornamental Design for a Wheel with Bracket Mounting, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof.

In the drawings:

Fig. 1 is a top plan view of my new design for a wheel with bracket mounting.

Fig. 2 is a side elevational view thereof.

Fig. 3 is an end elevational view thereof.

Fig. 4 is a bottom plan view thereof.

Fig. 5 is a perspective view of the bracket mounting per se.

Figure 6 is an outside elevational view of my new design for a wheel with bracket mounting.

I claim:

The ornamental design for a wheel with bracket mounting, substantially as shown.

THEODORE F. YOUNG.
